# HALLOWEEN FUN! ... in Hartsville!

The City of Hartsville officially celebrates

## HALLOWEEN

Sun., Oct. 31st

Please Be Safe!

*Advisory Message has been issued by the City of Hartsville Police Department.  
Tuesday October 26, 2010 4:07 PM EDT*

Halloween is this Sunday, October 31st; remember to stay safe. Visit us on Facebook for tips: "Hartsville Police Department SC".

Ghosts and goblins might be the least of parents' worries this weekend as trick or treaters make their way into the streets. Costumes and candy are what most children are thinking about as Halloween approaches, but the Hartsville Police Department encourages parents to think safety first.

Ways to ensure a safe Halloween:

- Parents should accompany their children during trick or treating.
- Avoid ill-fitting costumes that can cause trip hazards.
- Consider face paint instead of a mask that can block vision.
- Add reflective tape or have children carry a light to increase visibility.
- Examine candy before eating; sealed packages are the safest.
- Homeowners should remove obstacles from steps and sidewalks before goblins arrive.
- Drive with caution.

Extra police units will be out to help ensure safety. If anyone sees anything suspicious, please contact 911.

City of Hartsville offices and departments are closed,  
Tuesday, November 2nd for Election Day.

## Halloween Carnival held at Byerly Park.

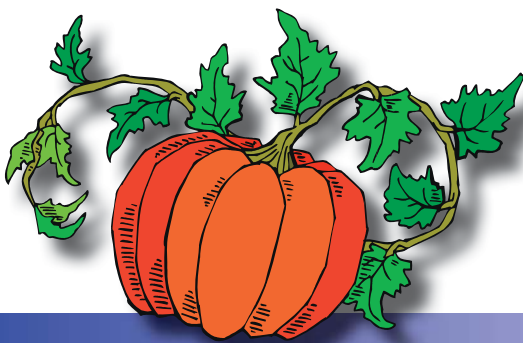

Kids had a great time strutting around in their Halloween costumes on Thursday, Oct. 28th at Hartsville's Byerly Park.

Held at the Coach T.B. Thomas Sports Center, the annual Halloween Carnival - sponsored by the City of Hartsville and Darlington County Recreation - attracted approximately 400 "kids" of all ages. Games, prizes, best costume contest and lots of candy were given to all who attended.

*Above left:* A new sheriff is in town;  
*above right:* these two youngsters listen as their fortune is told by a gypsy.

*Right:* what's Halloween without the witch? This little cutie perfectly fits the bill!
