COMMUNITY ACTION TEAM

Police Department deploys community action team (CAT).

The Hartsville Police Department has once again responded to the community's requests by the reinstatement of their Community Action Team. Headed by Lt. Wayne Gough, the goal of this team is to utilize the community orientated policing philosophy by providing the necessary tools to

eliminate or reduce crime through educational programs and enforcement.

Whether you are a homeowner, business owner, apartment manager or resident, our CAT strives to provide services that positively impact our citizens' quality of life, as well as reinforce the strengths and needs of neighborhoods. For more information about this team of experts, call the Hartsville Police Department at 843-383-3011.

If you or your organization are hosting an event held within the city limits, you will require a **SPECIAL EVENTS PERMIT**. This application can be found on our website: www.hartsvillesc.com, or by calling the Hartsville Parks and City Facilities department at 843-339-2878. **Completed permits are due at least 10 days prior to the event.**

Ground work continues at city parks.

City crews are always busy keeping the grounds clean and refreshed at all city parks - especially during this fall season. In this photo, Streets and Grounds personnel replace mulch in the flower beds at Burry Park.

Later this month, crews will be readying the downtown and area streets with holiday flags and decorations.
