Seniors attend St. Pat's Day breakfast.

Seniors who attend the programs offered at Byerly Park's Coach T.B. Thomas Sports Center enjoyed a complimentary St. Patrick's Day breakfast on Thursday, March 17th.

Sponsored by the Darlington County Recreation Department and the City of Hartsville, approximately 45 "youngsters" shared breakfast biscuits, fruit, juices and played Bingo for prizes. Both prizes and food were generously donated by various businesses in the Hartsville.

Councilmember Adlena Graham enjoyed time with her friends at the breakfast.

This lovely pineapple centerpiece was handmade by employees!

Fourteen trees get a new home.

On March 17th, fourteen Foster Holly trees found a new home at Byerly Park. The full grown trees were planted nearly 20 years ago along the back fence at HHS on Washington St.

They were planted behind the baseball fields to make way for a new entrance to the HHS Red Fox gymnasium.

Workers plant and trim the relocated Foster Holly trees.

Below: the massive hole for each tree is about 5 ft. deep.
