### Census takers in your area.

Door-to-door census taking is now taking place in our community. Local census takers are visiting households that did not mail back a census form. The door-to-door operation will continue through July 2010.

*If someone knocks at your door claiming to be a Census Taker, ask for their identification!*

All census takers carry an official badge and a shoulder bag — both

with the Department of Commerce seal — and a binder. During a visit, census takers will show ID and hand respondents an information sheet explaining that their answers are confidential. The census taker will complete the questionnaire, which takes about 10 minutes.

Please continue to support the 2010 Census. The more complete our count, the better all of us can benefit!

—Darlington County 2010 Complete Count Committee

### Veterans' Memorial foundation groundbreaking held.

Burry Park was the scene for the May 17, 2010, foundation groundbreaking ceremony of the Veterans' Memorial. City of Hartsville's Mayor, Councilmembers, City Manager and staffs, along with Senator Gerald Malloy and Representative Jay Lucas, foundation architect Bobby Goodson and other distinguished citizens were all on hand to help with the golden shovels.

Veterans from various wars gathered and reminisced of the heroes, both past and present, who battle to keep our United States' safe. The bronze panels representing the five 20th century wars will be installed and dedicated later this year on the new foundation. This memorial is believed to be the largest in South Carolina. Artist and Hartsville native Charles Pate is the memorial's designer and sculptor.

**City Offices are CLOSED FOR  
MEMORIAL DAY, Monday, May 31st.**

It's summer and time for the
