## **Hartsville Police Department Memorial K9 Fund**

From 1997 until 2007, the citizens of Hartsville enjoyed the protection of three brave, dedicated and highly skilled police dogs. Two have passed away and the last is retired. In the present economy, the Hartsville Police Department is unable to fund the entire program price for new dogs, therefore we are asking for your help. Our goal is to raise \$24,000. That would cover the purchase two (2) new dogs, all of the specialized training, the equipment and medical coverage for the first year. All donations are tax deductible and greatly appreciated.

If you are interested in making a donation or you want more information please contact Lt. Brian Rudick @ 383-3011.
